“AN INITIATIVE TO EXPLORE CORPORATE LITERACY”

ABOUT CHANAKYA NATIONAL LAW UNIVERSITY

CNLU, Patna has been established by CNLU Act, 2006 (Act No. 24 of 2006) passed by Bihar State Government in 2006. (Bihar Act 24 of 2006) as a public university dedicated to the field of legal education. The Chief Justice of Patna High Court is the ex officio chancellor of the university. Presently, the position is held by Hon`ble Justice Mr. Amreshwar Pratap Sahi. Presently, the Vice-Chancellor is Hon`ble Justice Smt. Mridula Mishra, (Retd.). CNLU offers both integrated undergraduate degrees and postgraduate research degrees in law.

Education, from time immemorial, has been the fulcrum around which the troika of society, polity and culture have prospered. Law, on the other hand, been enjoined to not only maintain an equitable balance within this troika but also to ensure that the troika truly delivers what it is supposed to deliver for the greater good of humanity. By implication then, the quality of legal education is but a clear barometer advancement of a nation since law is considered as the first act of human wisdom. Hence, it is not a matter of coincidence that the leadership of Bihar strove to establish an institution of quality legal education – in efforts to restore the pride and glory of this holy land and its ethos which not only saw the earliest civilization process and polity but also institutions of learning that attracted scholars and students from across the world. The Chanakya National Law University is but a tribute to that ethos and an expression of the determination to revive the past glory.

ABOUT THE SEMINAR

Chanakya National Law University is organizing a One-Day UGC Sponsored National Seminar on “INSOLVENCY AND BANKRUPTCY CODE: A PARADIGM SHIFT” which focuses on creating a nation-wide conversation providing an opportunity to students, academicians, law professionals and all other stakeholders to put forward their research and share their knowledge on wide range of topics relating to Insolvency and Bankruptcy Code and related subjects.

The purpose of the Seminar is to provoke discussion and debate on a range of topics and including subjects like Bankruptcy for Corporate, Insolvency Professional, traditional knowledge protection, amongst others. The agenda is kept deliberately broad and the discussions are intended to be accessible to a general audience.

The Seminar program offers high-level content relevant not only to students pursuing law or any other academic degree but also to young innovators from different fields; advocates, policy advisors, academicians, judicial officers and a range of government and non-government organizations to engage in a dialogue on Insolvency and Bankruptcy Code. Through this initiative, we want our students and faculty to develop a broader perspective of their responsibility to society and to give them an opportunity to listen to experiences, researches and findings of our esteemed panel of speakers, guests, academicians as well as students.

The Seminar will also provide a unique opportunity for lawyers and associated professional members in the region to exchange insights, explore current policy and practice issues, and exposure to a professional network of colleagues with shared interests and expertise.
