Introduction

NALSAR University of Law, Hyderabad and Hyderabad Security Cluster (HSC), are organizing the 2nd Edition of the Hague India Cyber Security Summer School from 3rd–7th June 2019, in collaboration with The Hague Security Delta (HSD), which is the largest security cluster in Europe.

The Hague India Cyber Security Summer School's five-day program will enlighten the participants on the cutting-edge cyber security developments and allow them to gain deeper knowledge and understanding of cyber security concepts and aspects. Partners such as the Hyderabad Security Cluster, E2Labs, TU Delft, Make Marketer, The Hague Security Delta, NALSAR University of Law, The Jawaharlal Nehru Technological University Hyderabad, The Municipality of The Hague, and The Hague Centre for Strategic Studies will facilitate the exchange of knowledge between these two countries leading the way in cyber security.

During the program, participants will learn about the interdisciplinary nature of cyber security through innovative and exciting group challenges, making the summer school a unique opportunity for Govt. Professionals/ Corporates/ Faculty / PHD Scholars / Masters & B. Tech/LL.B /LL.M Students.
