ABOUT NAGPUR

NAGPUR – Winter Capital of Maharashtra

Nagpur, located at the geographical center of India, is an ideal weekend destination owing to its climate and historical sites. We are well acquainted with the fact that one cannot forget to savour the unique and juicy flavor of the Nagpur oranges. It is surrounded by several natural wonders and houses the world's largest Hollow Buddhist Stupa. It is an ideal hypnagogic place. We cordially invite you to explore this ostentatious city.

सुंदर संत्रांची बाग जिथे
स्वप्न पूर्ण होतात तिथे
अस छोटस शहर आहे नागपूर
जो मान ऊंच करुण जगायला शिकवते

(Where there is a garden of oranges, where our dream comes true, Nagpur is a small city which teaches us to live our lives with respect)

THEME: SPORTS AND ENVIRONMENT

"Do we care about the environment, like we care about sports?"

We strive to be a part of the group which regards 'sports and the environment' as a matter of serious concern. To be healthy and to be involved in sports, we rely heavily on environment. Environment is of utmost importance for the growth of a sportsperson. Whatever we do has the potential to bring a positive or negative change in our environment.

During the conduct of this sports fest, we promise to muse over, not to harm the environment in any way and by using eco - friendly products like reusable water bottles and biodegradable materials. Since, sports has a pivotal role to play in raising awareness about the environment, we will put numerous regulations into practice to meet the demand of both sports and nature conservation.

MASCOT

"Your Potential, Our Passion"

To breathe a new life in our first Inter-University sports fest and to symbolize the spirit we present " Jai " as our mascot, which shows determination, confidence and zeal. Jai the hulk of Umred Wildlife Sanctuary (Nagpur), was considered to be the biggest and largest tiger of India in 2015. Jai will be the face of our sports fest.

This mascot represents intense competition but with the mark of honesty and integrity. It also shows the culture of Nagpur, as Nagpur is tiger capital of India. The tiger is a unique animal which plays a pivotal role in the health and diversity of an ecosystem. The mascot will charm the event with its presence.
