About Philomath

Philomath is a full service organization with a dedicated team of lawyers and law students alike adept at organising a plethora of events including extempore, debate competitions, public speaking, parliamentary debate competitions, virtual guest lectures, model united nations, moot court competitions, and variety in the list.

About the Competition

The National Virtual Moot Court, 2020 is a unique and challenging event held entirely live via video conferencing. The theme for this year is Constitutional Law. The competition will witness the presence of eminent lawyers and judges adjudicating the rounds. The meritorious shall be bestowed with a plethora of educational incentives alongside monetary rewards. We heartily welcome you all to this grand event. Together, let us make this a resounding success.

“Perfection is not attainable, but if we chase perfection we can catch excellence.”
