## VI. COMPETITION SCORING

#### Procedure for Preliminary Rounds-

Each preliminary round shall be for 60 minutes in total. **Each team** will be given a total time of **30minutes** comprising of oral pleadings, rebuttal/surrebuttal. Time management is at the discretion of the team subject to a maximum of 17 minutes per speaker. The same must be communicated to the designated Court Officer of the Court Hall prior to the commencement of each round. The advancement shall be in accordance to the **Round Point System** as explained below.

#### **The Round Point System**

In order to minimize the differences in scoring patterns across Court Halls, the scoring criteria for the preliminary rounds shall be as follows:

a) Each round shall have the following points:
Difference in oral scores: 5 points
Points for speaker scores (for each speaker): up to 5 points
Difference in memorial scores: 2 points

b) Each round will be judged by a bench comprising of two judges. Each judge

shall score every speaker on a scale of 0-100 and if the cumulative oral score (speaker 1 score + speaker 2 score) of one team exceeds the cumulative oral score (speaker 1 score + speaker 2 score) of the other team by Ten (10) marks (inclusive of difference of 10 marks), the team with the higher cumulative score shall be awarded five (5) points and the team with the lower cumulative score shall be awarded zero (0) points. If the difference is less than ten (10) marks, the team with the higher cumulative score shall be awarded three (3) points and the team with the lower cumulative score shall be awarded three (3) points. In case of a tie, the Teams shall be awarded two point five (2.5) points each. Thereby, each judge shall have 5 points at his discretion to adjudge the cumulative score of each team.

Speaker Score (inclusive of both the upper limit and lower limit)	Points
90-100	5 Z -
80-89	4
70-79	3
60-69	2
50-59	

c) Each speaker shall be awarded points based on the following criteria:

d) Additionally, 2 points shall be awarded based on memorial scores. If the difference between the memorial score obtained by the two teams (who go up against each other in the respective round) is greater than five (5) marks (inclusive of five (5), the Team with the higher score shall be awarded two (2) points and the Team with the lower score shall be awarded zero (0) points. If the difference between the score obtained by the two teams is lesser than five (5) marks, the Team with the higher score shall be awarded one point five (1.5) points and the Team with the lower score shall be awarded one point five (0.5) points. If the two Teams are tied in their memorial score, the team with a higher oral score shall be awarded one point five (1.5) points and the Team with the lower score point five (1.5) points.

Example: Team X argues on behalf of the Petitioner and Team Y argues on

behalf of the Respondent in Round 1. Judge 1 awards the following scores to Team X: Speaker 1=93 and Speaker 2=94. The cumulative oral scores for Team X = 93 + 94 = 187. The Judge awards the following scores to Team Y: Speaker 1 = 55 and Speaker 2 = 70. The cumulative oral score for Team Y = 55+70 = 125. Since the difference of cumulative oral score between Team X and Team Y is greater than 10 marks, Team X shall be awarded 5 points whereas Team Y shall be given 0 points. Similarly, the following points shall be given for the respective speaker scores:- Speaker 1 of Team X shall get 5 points and Speaker 2 of Team X shall get 5 points. Similarly, Speaker 1 of Team Y shall get 1 point and Speaker 2 of Team Y shall get 3 points. Similarly, if the memorial of Team X has been graded with 90 marks and the memorial of Team Y has been graded with 75 marks. Since the difference between the memorial scores is greater than 5 marks, Team X shall be given 2 points and Team Y shall get 0 points. The said process shall be repeated for Judge 2 as well.

The total points accumulated by the teams in the above example for Judge 1 is as follows:

Team X: 5 points (for the difference in oral scores) + 5 points (based on speak er 1 oral scores) + 5 points ((based on speaker 2 oral scores) + 2 points (for the difference in memorial scores) = 17 points Team Y: 0 points + 1 point + 3 points + 0 points = 4 points

e) The final rank list shall be formulated based on the cumulative points obtained in both the rounds. In case of a tie between two or more teams, the cumulative memorial scores (i.e. both petitioner/applicant and respondent/defendant) shall be taken into consideration. In case of a tie in the cumulative round points and memorial scores, the cumulative oral scores obtained shall be taken into consideration as the tie breaker.
