LEX OMNIA

MOOT COURT COMPETITION

Lex Omnia moot court competition which is held during Waves is one of the biggest events of the fest. For 9th edition, Waves is honoured to announce its association with MNLU, Mumbai, which is one of India's leading law colleges. The event will take place in the Third week of November. Lex Omnia has consistently evolved since its inception and has become bigger and better since then. The event has seen an exponential growth in response over the years and is set to become the biggest event in Waves 2022.

Waves, the popular annual cultural fest of BITS, Goa, is among the country's fastest-growing Cultural college fests. Waves provides a platform for students from all over the country to showcase their astonishing talents and experience euphoria during concerts at night. Over the years, Waves has catapulted itself to the epitome of cultural brilliance, featuring performances by Farhan Akhtar, Shankar Mahadevan, Salim-Sulaiman, Kailash Kher, Vishal-Shekhar, Amit Trivedi, Nucleya, and more. Illustrious personalities such as Priyanka Chopra, Vidya Balan, Mani Shankar (Bollywood director), and Raghu Ram have graced the fest.

The Maharashtra National Law University Mumbai (MNLU Mumbai) was the 1st NLU to be established in the state of Maharashtra. In the 7 short years since its inception in October 2014, MNLU has earned an unprecedented reputе as a new university in the field of Legal Education. Through its modern methods of teaching, research-oriented study, focused mentorship, and guidance to each student, the University has been shattering glass ceilings.

Situated in the financial capital of the country, the University has been able to leverage its strategic location advantage and carved out a niche for itself in the field of Corporate and Commercial Law, Banking Laws and Arbitration Law.

The motto of the University is in sync with the demands of the contemporary day and age, where lawyers need to be compassionate and well-rounded individuals. In furtherance of achieving these goals, the University has set up specialized Centres of Excellence.
