INVITATION

NATIONAL LAW INSTITUTE UNIVERSITY, BHOPAL

GREETINGS!

BHOPAL: CITY OF LAKES

We are elated to invite you to the Thirteenth edition of Virudhaka, the much awaited annual sports fest of National Law Institute University, Bhopal. Spanning over four days from **21 October 2023 to 24 October 2023**, this edition promises to outdo itself, like it successfully does, every year. Staying true to its name, the meaning of the word "Virudhaka" itself is ever growing which shows how deeply we believe in persistently progressing each year and we ensure you that with our Thirteenth edition, not only do we have more experience, we are also committed to providing an experience like no other.

Virudhaka has been synonymous with the values of fealty, commitment, dedication, sportsmanship and perseverance, as year after year we work to perfect the organization of this Fest. Hosting herculean number of participants across the nation, it has earned the well deserved sobriquet of being one of the biggest, most competitive and exceedingly exuberant fests.

Flaunting the regality of a capital, we invite you to Bhopal, to help you see "Bharat ka dil". The city is a blend of the old and the new, but not in a cliché way we are used to, time and again it gives you glimpses of your own cities and towns, while at the same time manages to flaunt itself as the modern capital it is.

The City of Lakes with its verdant foliage and panoramic vistas of lakes will be a visual treat like no other. The city is poetry in itself, a sojourn through the old city, with its marvelous mosques, traditional markets exuding grandiose and the contemporary architectural marvels. So when in Bhopal, do as Bhopalis do!

WHY VIRUDHAKA?
