ABOUT THE UNIVERSITY

Himachal Pradesh National Law University (HPNLU), Shimla, established in 2016 by an Act of the State Legislature (Act 16 of 2016), is a fast-emerging center of excellence in legal education. Operational since October 5, 2016, the University has rapidly built a reputation for academic rigor, interdisciplinary learning, and forward-thinking leadership.

Admission to its flagship programs the B.A. LL.B. and B.B.A. LL.B. (Hons.) five-year integrated courses, as well as the one-year LL.M. is conducted through the national-level Common Law Admission Test (CLAT). The LL.M. offers specializations in Constitutional Law, Criminal Law & Forensic Studies, Business Law, and Intellectual Property Rights aligning legal education with contemporary industry and societal needs. Advanced research is encouraged through the University's Ph.D. and LL.D. programs in Law.

Strategically located in the serene and intellectually stimulating environment of the Himalayas, HPNLU combines academic discipline with the advantages of a unique geographic and environmental setting. Within a short span, it has attracted top-tier faculty from across the country, further reinforcing its academic credentials.

The University is committed to delivering an interdisciplinary and application-oriented curriculum, integrating theory with real-world legal practice and administration. Under the dynamic leadership of Prof (Dr.) Priti Saxena, Hon'ble Vice-Chancellor, HPNLU continues to innovate and expand, aligning itself with the evolving demands of the legal profession and public policy, and nurturing professionals equipped not only with legal knowledge but also leadership and problem-solving capabilities.

Programme Objectives

- To equip students with latest trends in the field of business management
- To enhance the critical thinking and taking decisions in uncertain times
- To expand the range of knowledge and team up with experts across disciplines
- To develop the skills and the vision to contribute to both the bottom line and the big picture in whatever leadership roles one pursues.
- To prepare future leaders who are sensitive to their clients and their individual needs
- To help students grasp challenges in all their complexity and see how the pieces of a meaningful organization fit together.

WHY HPNLU MBA?

HPNLU's MBA program offers a unique blend of management education rooted in legal and policy perspectives, making it ideal for students seeking interdisciplinary knowledge and leadership roles in regulated industries, governance, or sustainability sectors. With expert faculty, a research-driven environment, and exposure to real-world challenges through policy projects and public sector engagement, the program equips students with critical thinking, ethical decision-making, and strategic management skills. Located in the heart of Himachal's capital, HPNLU provides a dynamic academic atmosphere and opportunities to engage with institutions shaping law, policy, and development, making it a distinctive choice for forward-looking management education.
