LEGACY OF 8 YEARS...8TH EDITION
21ST - 22ND AUGUST 2025

(HYBRID MODE)

" Eight years of diplomacy, dialogue, and dynamic leadership — shaping voices, building legacies, and empowering the leaders of tomorrow."

ABOUT US

Amity University Madhya Pradesh has been established by the Ritnand Balved Education Foundation (RBEF), New Delhi which is a society registered under the Societies Registration Act, 1860. It was established with the view to promote professional, industry oriented education in the state of Madhya Pradesh. Amity University Madhya Pradesh located on 100 acres of land opposite Gwalior Airport, impart modern, practical and research based courses which will lead to the development of manpower which is employable and ready for industry. This in turn will drive the socio-economic upliftment of the region.

ABOUT MUN

Model United Nations, also known as Model UN or MUN, is an educational simulation and academic competition in which students learn about diplomacy, international relations, and the United Nations. MUN involves and teaches research, public speaking, debating, writing skills, critical thinking, teamwork, and leadership abilities. It is an extracurricular activity; some schools also offer Model UN as a class. Participants in Model UN conferences, referred to as delegates, are placed in committees and assigned countries, or occasionally other organizations or political figures representing members of that body. They are presented with their assignments in advance, along with a topic or topics that their committee will discuss.

Delegates conduct research before conferences and formulate positions that they will then debate with their fellow delegates in the committee, staying true to the actual position of the person they represent. At the end of a conference, the best performing delegates in each committee and delegation are sometimes recognized with awards. Debating and deliberating on international issues by giving speeches to the committee and writing resolutions concerning a given agenda requires the employment of an array of communication and critical thinking skills to represent their country's policies. Many conferences run additional crisis simulations where hypothetical real-world issues are created to adjudge the delegate's spontaneity, diplomacy, and flexibility while under stress

ABOUT AUMPMUN

AUMP Model United Nations came into working back in 2018 to bring the MUN culture to Gwalior. Being one of the very first institution in Gwalior to conduct a MUN conference, the responsibility was huge. However, the exponential growth of our society has proved that we fared well. Eight years ago, Amity Law School inaugurated this ambition of bringing future diplomats and debaters to a common platform that unleashes their hidden potential. In 2019, we organized one of the largest MUN conferences in terms of delegate participation. Even the past couple of years of the pandemic didn't hold us back, and we concluded magnificent online conferences in light of keeping alive the art of articulating and expressing one's intellect. We're working with the same motive to achieve this feat again this year; only the target is bigger. Until the fourth edition, AUMP MUN has served over 2000 delegates with 50+ international delegates from 10+ countries, 700+ institutions from 20+ states, and 40+ cities with unforgettable experiences.

And in 2025 ,we are back with the 8th edition. This hybrid conference ensures a platform for interacting with different people, providing an opportunity to revel in a concentration of diversity and culture amidst the heating debate. Participating in Amity hosted event has always been profitable due to the availability of a platform for showcasing what's within. The participation count is expected to rise like never before this year due to the success of its past events. Participating in this event would provide the participants with greater exposure and help them develop their skills in different fields. We would also provide exciting cash prizes to the winners and certificates to all the participants. The conference is open to all university students and school students from across the globe.

WE STIMULATE THE FOLLOWING COMMITTEES AND THEIR AGENDAS
